

AFFIDAVIT OF MICHAEL CLUESMAN
"a.k.a., Slo-Mo)"

I was at my house on Wendall on that night. I was by Josh Puckett's side for most of the night. I use to be known as "Slo-Mo". For a lot of the time, Josh was up & down the stairs to talk to Natalie Golem in the upstairs house (it was a duplex). Natalie, myself, Hillary Rodgers, and Josh were all supposed to go to the Movies in Canton, MI that night.

That night, Josh seemed more preoccupied with Natalie Golem and our date that night. He liked her a lot. In the basement is where the "GD's" (Gangsta Disciples) and guys were, upstairs was where Natalie was, so Josh kept going back and forth. Roger Cameron, Daniel Broyles and their friends were all "GD.'s". Josh was not in the same gang as them. He had no authority over them and I never heard Josh order or even tell them to do anything specific, like kill or shoot anyone.

Josh did talk with Mr. Cameron about shooting a garage in the alley behind my house to see if Cameron's gun worked. As the night progressed, Josh and all of us were drinking and smoking a lot of weed. There was a lot of shit talking but I still didn't hear anything about shooting or killing people. Brandon suggested an abandoned building in the "cash flow posses" hood that had gang graffiti on it. He also suggested a similar location in Latin Count hood. Josh was ordered by Brandon Gorski to go to a friends house and pick up a shotgun, which Josh did. Shortly after that the "GD.'s" left with Hillary in their car.

I'm coming forward now because, I never knew Josh went to prison. I has thought he just got out of the gang and didn't come back to the hood, Because He was also let go shortly after me so for many years I thought he was free. I know he didn't want to hurt anyone that night & didn't think Roger Cameron wanted to either. No one really thought the "GD." guys would do, so I have no problem testifying to this, as it is the truth.

I swear that the above statements are true to the best of my Knowledge, Information and Belief.
